Parrot ASTEROID Classic

Apps, music and Bluetooth® hands-free

The Parrot ASTEROID *Classic* is a single DIN connected car stereo. Its interface is both intuitive and comprehensive, simplifying access to Apps, music and hands-free telephony features. It has multiple audio inputs and outputs, as well as multiple USB connectors, including a dedicated cable for connecting an iPod[®]/iPhone[®]. It interfaces easily with your vehicle's steering wheel controls for even easier use (optional extra).

Spotify

Apps to assist you

Discover and download connected APPs from the ASTEROID *Market*: Navigation, Driving Assistance, Points Of Interest, Music On Demand, Web radio...

The best of Bluetooth® handsfree calling

Automatically synchronise your entire phonebook, initiate calls using advanced voice recognition, and manage calls on 2 differents phones simultaneously.

Voice-activated music search

Push the deditaced button, say an artist or an album name and then enjoy your music. It's magic!

Connect to the world

Access the Internet through a compatible Smartphone, using a 3G/4G USB dongle. Works with all Smartphone operating systems: Android[™], iOS, RIM, Symbian[®], Bada...
